## Missouri Arts Council Annual Report

July 1, 2009 – June 30, 2010

GOVERNOR OF MISSOURI

JEFFERSON CITY

65102

JEREMIAH W. (JAY) NIXON  
GOVERNOR

P.O. Box 780  
(573) 751-0322

Fellow Missourians:

Here in Missouri, the arts touch all of our lives. Whether it's attending the Ozark Music Bluegrass Festival, spending an evening at the St. Louis Symphony Orchestra, taking in a stage play in Arrow Rock or experiencing Jazzfest in Cape Girardeau, there is truly something for everyone when it comes to our state's rich cultural and artistic attractions.

We are fortunate to have a dedicated group of professionals at the Missouri Arts Council, a division of the Missouri Department of Economic Development, who work tirelessly to ensure the health of the arts industry in our state. The Arts Council provides grants to non-profit organizations that encourage the growth, development and appreciation of the arts at both small and large communities across Missouri.

The First Lady and I feel fortunate to have quality artists and arts organizations in our state, and believe it is our responsibility to support this vital industry. The arts attract tourists, provide thousands of jobs, play a role in business attractions and retention, strengthen communities and bridge cultural divides. The arts are an essential part of Missouri's identity and play a leading role in our state's economic development.

I encourage you to get out and support the arts in Missouri during 2011!

Sincerely,

A stylized, handwritten signature in black ink, appearing to read "Jay Nixon".

Jeremiah W. (Jay) Nixon

Governor

Dear Friends,

Fiscal year 2010 was a challenge for the Missouri Arts Council, but we were able to provide over \$8 million to arts organizations across the state through a combination of state and federal funding. This is quite an achievement, given the current financial situation.

The economy is making a slow return but it will be a while before all the pieces are back in place. Looking forward we will be working hard to maintain funding to arts groups throughout Missouri. These difficult economic times require us to be creative and relentless in our push to maintain financial support for arts organizations. Governor Nixon continues to support the work we do and is working with the members of the legislature to make sure we continue our mission.

There will continue to be challenges approaching us in the coming fiscal years that will test our determination to continue our mission. One of the ways we are preparing for these challenges is to review and make updates to our strategic plan. Our strategic plan plays an integral role in our approach to gaining arts funding in the future. This plan will direct us through FY2014 and keep the focus on the arts in Missouri.

Over the last year we have worked to focus more on customer support for our constituents. We have made several improvements to our grant application process; we have enhanced application support and continue to improve our customer services.

MAC's web site continues to be a work in progress as we strive to provide more information and to be more accessible to all of our constituents. Since our online grant information is available on another online system, we have focused the MAC web site on promoting art and arts organizations in Missouri.

Increasing statewide presence is a continuing goal for MAC and one that we feel we are making strides in achieving. We have continued to work to counter the perception that MAC is St. Louis-centric. Through MAC on Location, MAC staff members travel to two Missouri communities each month to meet with constituents, share grant information and provide technical assistance.

Moving forward into the next fiscal year, as the adversity of the economic situation continues to escalate, we will be ready to face these difficulties and respond accordingly to any hardship that we face. It is with the help of Governor Nixon, the Legislature, our dedicated council members and Council Chair Nola Ruth, MAC staff, Missouri Citizens for the Arts, and the residents of Missouri that MAC has come this far and we are able to continue to bring the arts to all of Missouri, the State of the Arts!

Sincerely,

Beverly Strohmeyer  
Executive Director

## MISSION STATEMENT

The Missouri Arts Council – as public leader, partner and catalyst – is dedicated to broadening the appreciation and availability of the arts in the State and fostering the diversity, vitality and excellence of Missouri’s communities, economy and cultural heritage.

## GUIDING PRINCIPLES AND VALUES

- ♦ We believe that the arts play a vital role in the life and well-being of the community. They are an important tool for educational, economic and community development and revitalization with significant impact on Missouri.
- ♦ We recognize, value, and encourage artistic activities in Missouri’s rural, urban and suburban communities.
- ♦ We celebrate all of Missouri’s diverse cultures and ethnic peoples.
- ♦ We acknowledge the individual artist as being core to the continued growth of the arts, arts organizations and Missouri communities.
- ♦ We value innovation and creative expression in the arts.
- ♦ We are committed to creating alliances and partnerships within and outside the arts that strengthen the health of the arts.
- ♦ We are committed to the effective use of resources and to maintaining integrity and accountability in our distribution of public resources.
- ♦ We believe that cultural diversity, folk and traditional art, as well as individual artists and education are integral to and need to be woven within all MAC programs and initiatives.

# Missouri Arts Council Overview

Missouri Arts Council, a state agency, provides approximately \$8 million to nonprofit organizations through grants that encourage and stimulate the growth, development, and appreciation of the arts in Missouri. MAC provides funding to make quality arts programming possible to both large and small communities. Also, MAC staff are available to provide assistance in arts and nonprofit management. Their expertise includes community development, fundraising, marketing, grantwriting, arts education, artistic disciplines (visual arts, music, literature, theater, dance, festivals, and film/media) and more.

## Missouri Cultural Trust

The state legislature created the Missouri Cultural Trust in 1993 to help stabilize funding for the arts in Missouri. Subject to appropriation, the Trust would be funded by 60% of the income tax on non-resident professional athletes and entertainers (A&E tax). The Trust is governed by the members of the Missouri Arts Council and five elected officials: two members of the Missouri House of Representatives, two members of the Missouri Senate, and the State Treasurer.

The Trust was originally established to grow untouched until 2015 at the earliest. Unfortunately, difficult economic times changed plans for the Trust fund. In FY2004, the Missouri General Assembly granted MAC spending authority for the Missouri Cultural Trust instead of appropriating General Revenue funds to MAC. The Cultural Trust supported MAC's operations and grant programs. This resulted in changes to the Trust's grant programs—closing the Capital Incentive Program to new applicants in FY2002 and dissolving the Organizational Development Program.

## National Endowment for the Arts

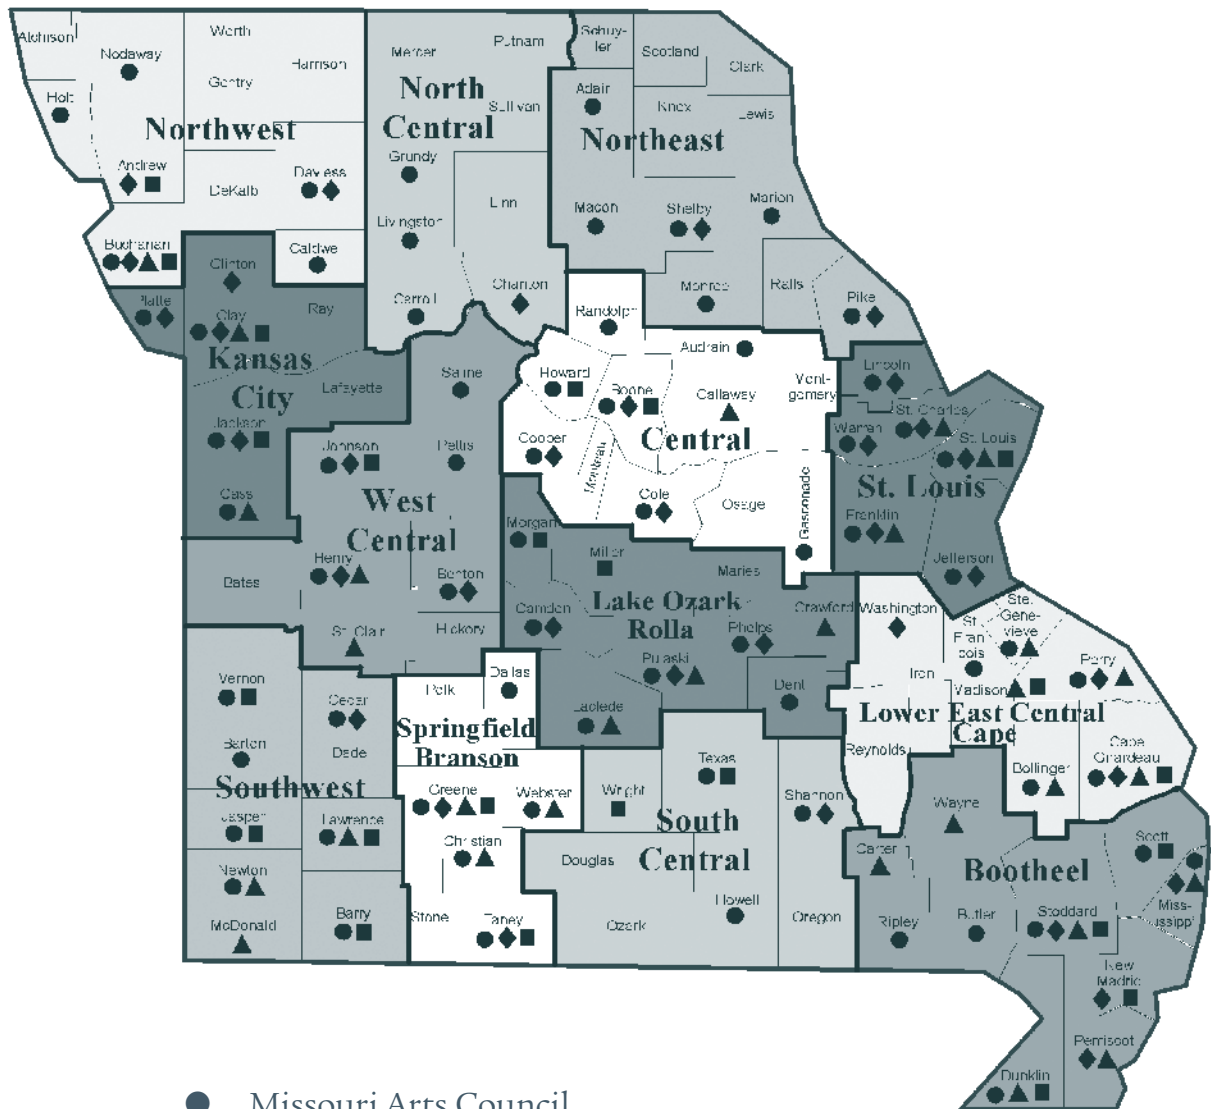

Missouri Arts Council also receives funding for its programs and administration from the National Endowment for the Arts, a federal agency, which believes that a great nation deserves great art. MAC gratefully acknowledges NEA's support during FY10 for its State Arts Plan, Challenge America Component, American Masterpieces Component, Arts Education Component, Underserved Communities Component, and Poetry Out Loud.

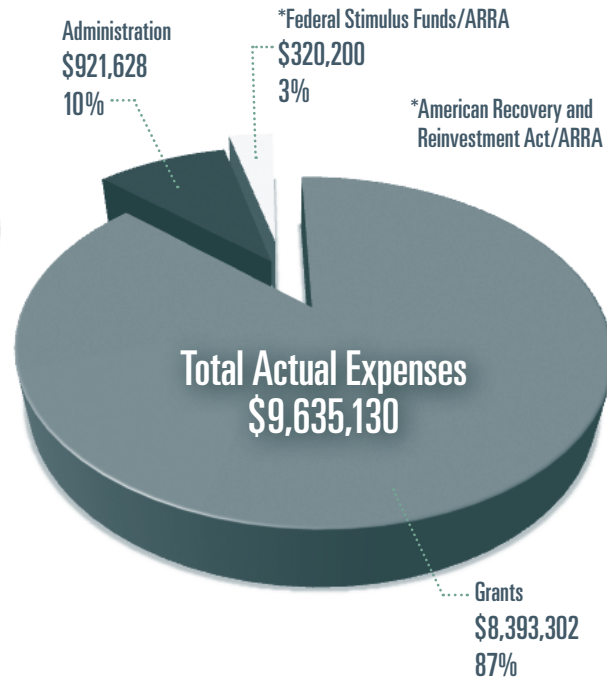

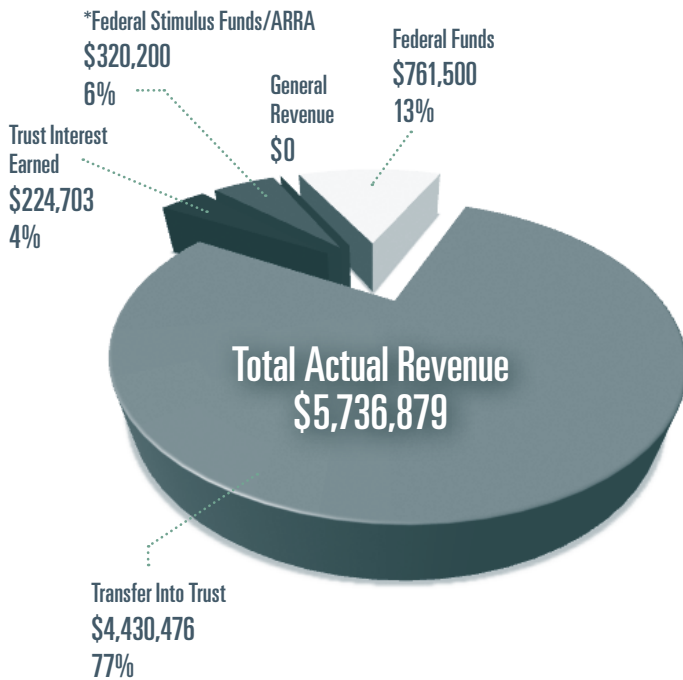

## FY2010 MAC, MACAA & M-AAA Funding by Region

- Missouri Arts Council  
includes Traditional Arts Apprenticeship Master Artists
- ◆ Poetry Out Loud  
includes participating schools and arts organizations
- ▲ MO Assn of Community Arts Agencies  
Community Programs
- Mid-America Arts Alliance  
includes exhibitions, performances and HELP Museums

# Strategic Plan Achievements

MAC has identified three strategic goals, which will create public value by making positive differences in the lives of Missouri's citizens through the arts:

- (1) Increase Participation in the Arts in Missouri
- (2) Grow Missouri's Economy using the Arts
- (3) Strengthen Missouri's Education through the Arts

For each goal, objectives, strategies and performance measures are provided.

This Strategic Plan was approved by the Council in February 2007 and served as the basis for the 2008-2010 fiscal years. This plan was developed to focus MAC's future vision, programs and operations. MAC developed an Action Plan, which identifies the detailed tasks, timelines, and personnel responsible to ensure that our strategic goals are achieved.

In 2010 MAC achieved the following goals:

## Strategic Grants

- ♦ Strategic grants totaling \$8.3m awarded to 130 communities to fund arts programs.
- ♦ Funding provided to 100% of Missouri Senate districts and 79% of House districts.
- ♦ Completed online grant system, registered 560 user profiles and completed over 440 applications in the first grant round.
- ♦ Continued to streamline grant applications and guidelines for clarity.
- ♦ Developed Arts Transform Missouri grant program using American Recovery & Reinvestment Act (ARRA) funds and awarded \$320,200 to 23 applicants.

## Programs

- ♦ Recognized six Missouri residents with Missouri Arts Awards.
- ♦ Began development of VSA arts of Missouri affiliate.
- ♦ Received Award of Excellence from National VSA arts for Outstanding Community Partner.
- ♦ Published anthology of artwork and writing by Missouri artists with disabilities called *Blindness isn't Black*.
- ♦ Involved 6,745 students, 267 teachers and 75 schools in Poetry Out Loud, recognized at the Legislative Luncheon in Washington, DC as one of the top programs in the country.
- ♦ Provided professional development and networking opportunities to over 200 arts administrators in seven locations at the first Arts Summit.
- ♦ Updated and expanded the Missouri Touring Performers directory by 10%.

## Partnerships

- ♦ Worked with the Arts Education Collaborative, Interchange, and the Missouri Alliance for Arts Education to advance key arts education strategies.
- ♦ MACAA continued to bring funds to unfunded and underfunded communities.
- ♦ Completed work with MODOT to develop murals at two welcome centers.

## Education

- ♦ Teaching Artist Program convened 6 workshops for educators and teaching artists.
- ♦ The Folk Arts Program provided sequential training for traditional artists preparing for work in the classroom.
- ♦ Fine Arts Education Day brought schools, teachers and parents together at the capitol.

## Communication

- ♦ Completed graphic identity and web redesign. Begun implementation of new graphic identity.
- ♦ Hired a program specialist to concentrate on communications .
- ♦ Initiated MAC on Location to visit communities each month to share grant opportunities and technical information.

## Advocacy

- ♦ Commissioned a comprehensive study of the economic impact of the arts in Missouri.
- ♦ Governor Blunt recommended, and the legislature approved, the highest level of funding in MAC history.

## Grant Program Descriptions

MAC provides funding for quality arts programming to eligible applicants which include, but are not limited to: arts or arts education organizations; chambers of commerce; public libraries; government agencies; youth organizations; public school districts; private K-12 schools; community arts organizations; social service organizations; colleges and universities; and religious organizations. MAC funds may be used for artist fees, artist travel expenses, marketing the arts event, project related educational materials, and more. For MAC granting purposes, a project is a specific, identifiable program that has a distinct focus, format, and objective. A project can include the following:

- ♦ Performance of dance, music, and/or theater (single performance or series)
- ♦ Educational programs in the arts
- ♦ Artist residencies
- ♦ Literary journal publication
- ♦ Arts festival or arts component at festival or county fair
- ♦ Exhibition or exhibition series
- ♦ Film festival, film series, or production of film, video, or media arts project
- ♦ Services to the arts field

## Annual Grants

MAC's Annual Grant categories include those grant applications that are reviewed annually, biennially or triennially. However, the grant award amount is determined annually, based on the annual, biennial or triennial review. Annual Grants have certain minimum and maximum request amounts depending on the program category. Annual Grant categories include the following:

FY10 is the "on year" for Arts Education, Community Arts Program-Operating Support, Community Arts Program-Project Support, Electronic Media Arts, Established Institutions/Mid-Sized Organizations, Festivals, Folk Arts, Instrumental Music, Literature, Minority Arts Program, Multidiscipline, Vocal Music and Music Presenters, and Touring

## Arts Education Program

Missouri Arts Council's Arts Education program is designed to strengthen the place of the arts as a core academic subject in the regular school curriculum, and to promote integrating the arts into non-arts classrooms and in out-of-school programs. MAC supports professional development workshops for K-12 teachers and teaching artists and assists organizations in the development of their arts education programs to ensure that these programs support student achievement. Annually reviewed Arts Education grant categories include:

- ♦ Artist in Residence
- ♦ Out of School
- ♦ Professional Development

## Arts Services

MAC provides financial assistance to organizations whose primary mission is delivery of arts programs and/or services to arts organizations statewide. MAC occasionally initiates projects that address special needs and provides grants to organizations best suited to execute such projects. Arts Services grants are reviewed annually.

## Community Arts Program

The goal of the Community Arts Program (CAP) is to strengthen the connection between non-metropolitan communities and the arts. Each community (outside the city limits of Kansas City and St. Louis) may designate an organization to receive funding that provides multidiscipline services in their area. Annual grants are available for projects and operating support. CAP Project Support grants are reviewed biennially, and CAP Operating Support grants are reviewed triennially.

## Discipline Program Assistance

MAC's largest grant program, Discipline Program Assistance provides funds for projects in eight areas: dance, electronic media arts, festivals, literature, multidiscipline, music, theater and visual arts. Alternating categories are reviewed biennially.

## Established Institutions Program

This program provides operational support for the state's largest and most stable organizations. They must have a primary purpose to present or produce art, a history of operating revenues exceeding \$2 million (certain restrictions apply), full-time professional personnel, a full season of exhibitions and/or performances, appropriate community involvement including arts education and outreach programs, and significant local, regional or national impact. Established Institutions grants are reviewed triennially.

## Mid-Sized Arts Organizations

Like the Established Institutions Program, this program provides operational support. Organizations must have a primary purpose to present or produce art, a history of operating revenues between \$500,000 and \$2 million, ranked in the top third of their Discipline Program Assistance grant panel for the prior three consecutive review years, full-time professional management personnel, appropriate community involvement including arts education and outreach programs, and significant local, regional or national impact. Mid-sized Arts Organization grants are reviewed triennially.

## Minority Arts Program

This program supports arts projects created by or targeted to people of diverse cultures. Funding priority is given to minority-managed organizations with minority-developed arts focused projects. For the purpose of this grant program, minorities are identified as African America, Asian American, Latino/Hispanic and Native American. Minority Arts Program grants are reviewed biennially.

## Missouri Folk Arts Program

This grant program accepts applications for projects that perpetuate and present the traditional arts and artists, preferably those associated with the state of Missouri. For the purposes of this grant category, folk arts are defined as the living, functional and expressive arts of everyday people

passed down informally by word of mouth or imitation within close-knit groups. The grants support Missouri Folk Arts Program's mission to build cross-cultural understanding by documenting, conserving and presenting our state's living folk arts and folk life in collaboration with Missouri's residents. Missouri Folk Arts Program grants are reviewed annually.

## Monthly Grants

This monthly deadline program was created to encourage small and emerging arts organizations and organizations based in rural communities to seek financial assistance for arts activities through a less complicated application process. Prior to its creation, applications for MAC grants were only accepted on an annual basis through a competitive process. Monthly Strategic Grant Programs have limited maximum request amounts depending on the program, and include the following:

### Arts Education Program

MAC's Arts Education program is designed to strengthen the place of the arts as a core academic subject in the regular school curriculum, and to promote integrating the arts into non-arts classrooms and in out-of-school programs. In addition to the annual deadline arts education grants, MAC also provides support for the following arts education programs through a monthly deadline:

- ♦ Artist in Residence
- ♦ Out of School
- ♦ Professional Development
- ♦ School Touring Program

The School Touring Program funds 60% of artistic fees for schools to present performing artist(s) with related educational activities. Performing artists must be selected from MAC's School Touring Roster or programs of Missouri artists on the rosters of Kansas City and St. Louis chapters of Young Audiences.

### Capacity Building Program

This program is designed to help nonprofit organizations whose primary purpose is to present, produce, or serve the arts in Missouri to develop defined administrative, artistic and technical skills. MAC provides support for both organizational development and artistic and project development.

### DREAM Initiative

The DREAM (Downtown Revitalization and Economic Assistance for Missouri) Initiative was unveiled by the Missouri Department of Economic Development in 2006 to provide Missouri's small and mid-sized towns the same access to economic development tools as larger communities. Selected communities become active members of DREAM for three years and gain prioritized access to state supported programs through ongoing cooperation among several unique agencies and funding sources. Programs include technical and financial assistance for infrastructure improvements, historic preservation, affordable housing, community services, business development and job creation. MAC provides targeted funds for new arts programs in downtown areas of DREAM communities.

### Minority Arts Program

This program supports arts projects created by or targeted to people of diverse cultures. Funding priority is given to minority-managed organizations with minority-developed arts focused projects. For the purpose of this grant program, minorities are identified as African American, Asian American, Latino/Hispanic and Native American. In addition to the annual deadline Minority Arts Program grants, MAC also provides Minority Arts Program grants with a maximum request of \$3,000 on a monthly deadline basis.

### Missouri Touring Program

Missouri Touring Program brings a variety of Missouri dancers, musicians, theater performers, storytellers, traditional and contemporary, to communities throughout the state. The program also increases performance opportunities

for Missouri performers. Applications from communities are accepted monthly, up to twice per year, to support 60% of the artist fee, with a maximum of \$5,000. Performers may apply to be in the Missouri Touring Program directory each spring.

## Special Programs

### Capital Incentive Program

This program is no longer open to submissions. It was created to spur economic activity in the nonprofit arts industry. For arts organizations accepted into the program that received contributions from private donors for endowments or renovation/construction of a performance or exhibition space, MAC agreed to pay 5%, based on a 1:2 match annually, if MAC receives at least \$3 million in new appropriations each year.

### MACAA Community Programs

MAC initiated a new program in FY07 in collaboration with the Missouri Association of Community Arts Agencies called Community Programs. The purpose of this program is to provide funding to nonprofit organizations in communities that have little to no arts programming. The intention is to develop these community organizations with technical support from MACAA so they will be prepared to seek future funding from MAC grant programs.

## Advisory Panels

Each year MAC board appoints Missouri and non-Missouri residents and regional representatives to serve as volunteer panelists to review grant applications. Selected panelists are either knowledgeable in a particular art form or they are arts enthusiasts who serve as community representatives on the panel. In the spring, panelists spend hundreds of hours evaluating the grant applications according to the criteria of artistic quality, community involvement, and management ability. They also assist MAC policy and program development. MAC is grateful to the dedicated panelists for volunteering their time and expertise. To minimize administrative expenses, MAC conducts the panel review meetings by conference call. A MAC board member serves as chair to ensure that the review process is fair and equitable and follows MAC's policies.

## Poetry Out Loud

The Poetry Out Loud program encourages the nation's youth to learn about great poetry through memorization and performance. Participation helps build students' speaking skills, develops their appreciation for poetry, increases their self-confidence and satisfies both Missouri Show-Me Standards and National Council of Teachers of English (NCTE) English Language Arts standards.

Since its inaugural year in Missouri, Poetry Out Loud has gained popularity throughout the state. Participation was the largest this year with 75 schools getting involved. On March 3, 2010 the ten Regional Champions traveled to Jefferson City to compete for the title of Missouri State Champion. First Lady Georganne Wheeler Nixon announced the newly appointed Missouri State Poet Laureate Mr. David Clewell at the competition. The event was held in the Miller Performing Arts Center followed by a luncheon and tour of the Governor's Mansion, hosted by Mrs. Nixon. It was with great pride the state of Missouri sent Nicole Andrews, from Central High School to Washington D.C. to compete in the national competition in 2010. Ms. Andrews received a plaque, traveling trophy and an all-expense paid trip to Washington D.C. for the national finals. The national finals award \$50,000 in scholarships and school stipends. The state champion's school keeps the traveling trophy until next year's competition and receives \$500 for the purchase of poetry books for their school library. Similarly, the second place school receives \$200 to purchase poetry books for their school library. All of the finalists receive award certificates.

The schedule and curriculum for Poetry Out Loud have been intentionally designed to fit into a teacher's busy schedule without much disruption. The program takes place over two to three weeks, according to the teacher's interest and schedule, and does not require full class periods during that time. Teachers or speech coaches may choose to run the contest as an after-school program. Standards-based curriculum materials are provided to participating schools and additional resources are available on the Poetry Out Loud website.

## Introducing Missouri's New Poet Laureate

The 2010 Poetry Out Loud state competition was especially thrilling because of the announcement of the new state Poet Laureate, David Clewell, by First Lady Georganne Wheeler Nixon. Clewell teaches poetry workshops, 19th and 20th Century literature and topics-in-poetry seminars at Webster University. He directs the Creative Writing program and coordinates the Visiting Writer Series, which he started in 1986. He received his Bachelor of Art in English at the University of Wisconsin and his Master of Fine Art in writing at Washington University in St. Louis.

He has conducted numerous poetry workshops and discussions for K-12 students and teachers in the St. Louis metropolitan area, and gives frequent readings at schools, nursing homes and civic organizations throughout the state. He was an artist in residence in Missouri K-12 schools and has served on the Literature Advisory Panel for the Missouri Arts Council.

"You don't have to spend very long with David Clewell, or his poetry, to know that he has a unique perspective on contemporary American life and the characters and ideas that loom large in our recent history," **Gov. Jay Nixon** said. "David's wry humor, tart social commentary and accessible style give his poetry a broad appeal. He also brings a passion for teaching literature, and will help expose a new generation of Missourians not only to his fine work, but to the work of great American poets from Walt Whitman and Emily Dickinson to Missouri's own Mark Twain."

Clewell has published seven collections of poems, including *Blessings in Disguise* (a National Poetry Series winner), *Now We're Getting Somewhere* (winner of the Felix Pollak Poetry Prize) and, most recently, *The Low End of Higher Things*. He also is the author of two book-length poems and several chapbooks.

David Clewell, Missouri Poet Laureate

His poetry has appeared in more than 50 journals and magazines, including *Harper's*, *The Georgia Review*, *The Kenyon Review*, *Poetry*, *New Letters* and *River Styx*. His poems have been included in numerous anthologies including *Best American Poetry 2010* (Scribner, 2010) and *Sixty Years of American Poetry* (Abrams, 1996). He has been nominated seven times for the national Pushcart Prize for poetry.

Clewell lives in Webster Groves with his wife, Patricia, and 13-year-old son, Ben.

He succeeds Missouri's first poet laureate, Walter Barga, of Ashland, whose term expired in January 2010.

## 2010 Missouri Arts Awards

The Missouri Arts Awards were created to recognize and honor individuals who have made contributions to the arts industry in Missouri. Each of the winners of the Missouri Arts Awards has given a piece of themselves to help bring the arts out in all of us.

Each year, an independent panel of distinguished representatives of Missouri's arts community selects the Missouri Arts Awards recipients, who are honored during a special recognition ceremony in Jefferson City. The 2010 Missouri Arts Awards were presented on February 10 in the Capitol Building Rotunda by Nola Ruth, Chair, Missouri Arts Council. Awards are presented in six categories:

Arts Education, Arts Organization, Creative Community, Individual Artist, Leadership in the Arts, and Philanthropy.

## Dr. Robert Gifford

### CAPE GIRARDEAU ARTS EDUCATION

Missouri Arts Council honors Dr. Robert Gifford for his significant contributions to Arts Education by creating quality arts education opportunities and resources available to all creative minds.

From 1973 to 1981 Dr. Gifford was Assistant Director of Bands and Associate Professor of Trombone at Central Missouri State University. During that time he founded and conducted the CMSU Low Brass Ensemble, which was selected to perform at two conferences of the Missouri Music Educators Association and also for the 1978 MENC Biennial In-Service Meeting.

Dr. Gifford has just recently retired from Southeast Missouri State University where he served for twenty-four years in many different capacities. Under his leadership the Southeast band program grew from two groups to seven different bands and the Summer Music Camps expanded to five sessions serving over 2,000 students. During this same time period the Southeast Symphonic Wind Ensemble, with ten world premieres and thirteen American premieres to its credit, has earned an international reputation for performance of music for contemporary wind band.

Robert M. Gifford received the Bachelor of Music Education degree from the University of Kansas, Master of Music degree in Wind Instruments and Percussion from the University of Michigan and Master of Fine Arts and Doctor of Musical Arts degrees from the University of Iowa.

L-R: Spencer Burke, President, Opera Theatre of St. Louis Board, Representative Jeanne Kirkton, Representative Rachel Storch, and Timothy O'Leary, Executive Director, Opera Theatre of St. Louis

## Opera Theater of St. Louis

### ST. LOUIS ARTS ORGANIZATION

Missouri Arts Council honors the Opera Theatre of Saint Louis for its significant contributions to the arts in Missouri.

Beginning in 1976, the Opera Theatre of Saint Louis has been recognized for its excellence throughout the world of opera. Its spring festival of about 30 performances showcases the best singers in America, sung in English and accompanied by members of the Saint Louis Symphony Orchestra. Each year the roster at the Metropolitan Opera includes more than sixty artists who appeared at Opera Theatre early in their careers and rave about the training they received during their time performing on the Opera Theatre stage.

As of 2009, Opera Theatre of Saint Louis has presented 21 world premieres (all but two commissioned by Opera Theatre of Saint Louis) and 22 American premieres – which is perhaps the highest percentage of new work in the repertory of any U.S. opera company.

The small scale and thrust stage of the 987-seat Lorretto-Hilton Center brings the audience close to the performances and 94% of the seats in this theater are closer to the center of the stage than the front row of the Metropolitan Opera.

Opera Theatre offers year-round nationally recognized education programs with the same quality as its mainstage productions, reaching nearly 12,700 adults and children from a variety of ethnic and socio-economic backgrounds in the St. Louis region.

## City of Lee's Summit

### LEE'S SUMMIT CREATIVE COMMUNITY

Missouri Arts Council honors the City of Lee's Summit which has mastered the art of being creative.

As Missouri's sixth largest city – with a population of 93,000 – Lee's Summit has garnered national attention. Playing a leading role in the recognition are the arts and cultural activities that enhance the quality of life in Lee's Summit, making it a vibrant, creative community.

In 2008, Lee's Summit was recognized by *Money Magazine* as one of the Best Places to Live (79 on the list) and in 2009 was named by Business Week as Missouri's Best Place to Raise Kids – a distinction that takes into account cultural amenities like museums, parks and theatres.

The arts in Lee's Summit are considered a quality of life factor and utilized as an asset by the Lee's Summit Economic Development Council to attract and retain business in Lee's Summit, embraced by the City of Lee's Summit and the Lee's Summit Parks and Recreation Department, integrated in education through curriculum and culture of the Lee's Summit R-7 school district, promoted through events and entertainment that draw tourism to Lee's Summit by the Chamber of Commerce and the Downtown Lee's Summit Main Street, and showcased throughout many private sector businesses.

Lee's Summit is a city full of arts and culture and is expanding its presence and passion every day.

## James Leedy

### LAKE LOTAWANA INDIVIDUAL ARTIST

Missouri Arts Council honors Jim Leedy for his significant contributions to the creative arts in Missouri.

In a career spanning more than half a century, Mr. Leedy has brought distinction to the state of Missouri through his work, which has been described as "a vast tapestry mixing painting with sculpture, prints, drawings, ceramics, installations and public art," in the book *Jim Leedy: Artist Across Boundaries* by Matthew Kangas. He is internationally renowned for his innovative use of clay in sculptural forms, and his work has been exhibited in more than 100 major shows throughout the United States and abroad.

Within the state of Missouri, Mr. Leedy has played a major role in the revitalization of downtown Kansas City where he is known as "the father of the Crossroads Arts District." His studio and gallery was the catalyst for a vibrant arts district that today acts like a giant magnet, attracting thousands of visitors who gravitate to the district's numerous galleries and restaurants. The Crossroads Arts District in downtown Kansas City may not have been the same without Mr. Leedy's vision and his investment of time and energy in the area in the mid-1980's.

Mr. Leedy's influence in Missouri and beyond can be felt in the lives and careers of the generations of students he has inspired as a professor for more than 40 years at the Kansas City Arts Institute and throughout the arts community.

L-R: Senator Kurt Schaefer, Marie Nau Hunter, Leadership in the Arts Award Recipient, and Representative Mary Still

### Marie Nau Hunter

**COLUMBIA  
LEADERSHIP IN THE ARTS**

Missouri Arts Council honors Marie Nau Hunter for her leadership in the arts in Missouri.

Mrs. Nau Hunter has worked for the City of Columbia Office of Cultural Affairs (OCA) since February 1998 and was promoted to manager in September 2000. Mrs. Nau Hunter oversees the OCA's Public Art Program, city arts funding program and facilitates the activities of the Commission on Cultural Affairs and its related committees. Mrs. Nau Hunter currently serves as a regional vice-president for Missouri Citizens for the Arts, is president of the advisory board of the Missouri Alliance for Arts Education and is on the University of Missouri's Arts and Sciences Alumni Association board.

Locally, Mrs. Nau Hunter is a member of the Columbia Chamber of Commerce and regularly assists the steering committees of the Leadership and Junior Leadership Columbia programs in organizing its art and culture days. She is also a member of the Mid-Missouri Tourism Council and serves as an ex-officio member of the Columbia Public Library's Art Committee.

In 2003, she was included in Columbia's "40 Under 40" class, a recognition program of the Columbia Business Times newspaper. While working at the Museum of Art and Archaeology, Columbia, Mo., Mrs. Nau Hunter coordinated the Missouri Save Outdoor Sculpture! Project, a statewide survey of outdoor sculpture sponsored by the Smithsonian Institution.

Joseph L. Gray, Philanthropy Award Recipient, speaks to the guests at the 2010 Missouri Arts Awards

### Joseph L. Gray

**ST. JOSEPH  
PHILANTHROPY**

Missouri Arts Council honors Joseph L. Gray for his significant contributions to the advancement of the arts in Missouri.

Mr. Gray has spent a lifetime supporting the visual arts in St. Joseph and has been a fan of the arts all of his life. Through his hard work and generous giving, he has been a true patron of the arts, supporting the St. Joseph Symphony, the Community Chorus, the Albrecht-Kemper Museum of Art, the Midwest Art Association, and Trails West.

As a member of the St. Joseph Symphony board of directors for eight years, Mr. Gray has been a major donor. His contribution of funds to purchase a new Steinway grand piano has enabled the symphony to attract pianists that may have otherwise chosen a different organization.

Mr. Gray's efforts have been seen at the Albrecht-Kemper Museum of Art through support for educational programs, exhibitions, and even the museum infrastructure. Through his generosity, education programs for at-risk youth have been implemented; and he designed and built the new painting storage hanging system in the museum.

Mr. Gray has been a pillar of the arts in St. Joseph but because of this insistence on anonymity, it is difficult to detail all the good deeds he has done for not only the arts but others. His generosity has had far-reaching positive effects on the St. Joseph community.

## 2010 Missouri Arts Award Artists

### Terry and Gabe Bloodworth

Terry Bloodworth

The Missouri Arts Awards would not be complete without the talented artists who create the actual awards and provide the image for the coveted event poster, the invitation and program. Always unique and compelling, the awards have themselves become an integral part of the ceremony.

A panel of MAC board members and staff selected Terry and Gabe Bloodworth from a pool of applicants to create the awards that were presented to the 2010 Arts Awards recipients.

A team of father and son, Terry and Gabe Bloodworth of Springfield, created the beautiful awards.

Early in Terry's career his work was strongly influenced by traditional American blown glass motifs of the late 18th and early 19th centuries. The vivid colors and free-flowing surfaces of Italian styles came to his attention after a class in Venetian techniques excited his interest. He later developed an interest in the forms of Native American pottery and the design elements of Japanese basketry.

Gabe, a second generation glass blower follows in his father's footsteps with his own twist. His pieces reflect the connection between his father and him; merging Terry's take on traditional designs with his love of contemporary forms and abstract color schemes.

Together they bring glass work to life at Springfield Hot Glass; a full service production and teaching Glass Studio. Springfield Hot Glass Studio creates high quality work that is in demand by customers and galleries from Maine to California. Visit their web site at [www.springfieldhotglass.com](http://www.springfieldhotglass.com).

### Norleen Nosri

A panel of MAC board and staff members selected Storied Teapots, Nature, red stoneware created by Norleen Nosri of Columbia, as the image for the 2010 Missouri Arts Awards poster, invitation and program. Ms. Nosri, from Petaling Jaya, Malaysia, arrived in the United States in 1997 to study business but later that year discovered her love for art. Ms. Nosri had never received any proper art education until her first year at Columbia College. Soon after, she transferred to the University of Missouri Columbia in 1998 and decided to pursue a major in art.

After studying under Naoma Powell, a student of Maia Grotell, the founder of Access Arts, Ms. Nosri began her art career as a pottery instructor to children and has since advanced to teaching adults as well as leading many demonstrations. She has been working in the studio and continually developing her aesthetic voice. Her first solo art show happened in Malaysia in June 2006.

"It was an amazing feeling to show my art in my home country and to have my entire family present," said Ms. Nosri.

Recently, she has been given a scholarship to continue schooling at the University of Missouri Columbia.

Missouri Moulding and Glass of Saint Genevieve has generously donated the framing services for the 2010 Missouri Arts Awards poster. The Missouri Arts Awards posters help increase awareness of the arts in Missouri. Missouri Arts Council distributes the framed posters to the offices

of the Governor, First Lady and key elected officials such as the Senate Appropriations Committee Chair. Please join the Missouri Arts Council in expressing our gratitude to Missouri Moulding and Glass for its continued support of the Missouri Arts Awards.
